HAPPY NEW YEAR!

We of CKUA extend to all listeners best wishes for the most Prosperous and Happy New Year ever. Radio has been called the greatest force for education and understanding yet developed by man. At this radio station we recognize our responsibility in directing this great force toward promoting a year of Peace—a year of Progress and a year of better radio service in 1947.

The New Year will bring many new and different programs, some of which will be given advance publicity on the air and in our bulletin. A goodly number of the old 1946 shows will stay on, at the times familiar to our listeners. "The Lighter Side" is presented with the compliments of Fred "Lucky" Diehl and Stan "Anything Goes" Armstrong at 5:30 each and every Saturday afternoon. Bend an ear the way of "The Lighter Side" and have fun. Late in 1946 CKUA started the B.B.C. Hour. Heard in this hour of good entertainment are three programs, "Tunes You Used to Dance To", directed by the famous English band leader, Victor Sylvester, 30 minutes of our old favorite melodies. "Men and Music" follows which is a 15 minute broadcast of the life and music of some famous composer. Then to complete the hour, an "Inspector French Mystery". All these shows were recorded by the British Broadcasting Corporation from the original program and shipped to Canada. CKUA releases them in this area. The time is 2:00 to 3:00 p.m. Saturday.

Sports in the New Year will continue to be a feature of CKUA with hockey enjoying the limelight at this season of the year. Two sports resumes are carried each day at 12:15 p.m. and 10:10 p.m.

Special Events are very hard to pre-publicize and we know that a few of our listeners have missed some of ours. May we gently hint to those listeners that by keeping tuned to this station they will hear many special events reported by us during the New Year.

Music in 1947 will continue to be properly balanced and correctly scheduled for all tastes, programmed from CKUA's extensive transcription and recording libraries.

ALBERTA FARM AND HOME FORUM

Mondays, Wednesdays and Fridays, 8:15 to 8:30 p.m.

Combining in sponsorship of the Alberta Farm and Home Forum are the Faculty of Agriculture, University of Alberta, and the Alberta Department of Agriculture.

The Faculty of Agriculture presents research workers and lecturers who discuss reports of their findings in the various fields of agriculture. In addition they bring to the microphone considered opinions of the work of other agricultural scientists.

Members of the Alberta Department of Agriculture who are heard from time to time, are engaged in making agricultural information available to the public and are responsible for the administration of policies approved by the Legislature for the protection of the agricultural industry.

Through the medium of this programme, country listeners are kept informed of new methods and their application, of bulletins in which the subjects mentioned can be given further study, of meetings occurring in their districts, and of timely topics and hints that will prove useful both to the farmer and the farm housewife.

TALENT FROM THE TOWNS

During the past year this radio station has broadcast from Bonnyville, Clyde, Morinville, Wetaskiwin, Legal, Ponoka, Lloydminster, Vegreville, Breynat and Picardville. We have found a wealth of potential talent in the children of rural Alberta. The pride of the townspeople in their children is reflected in the many requests we have received, from more and more Alberta towns, to make Alberta listeners acquainted with their talent.

On occasions when we revisit a town we find the talent much improved. The incentive and organization necessary for a talent broadcast increases the rivalry not only between the individual participants but among the towns as well. Parents and music teachers do not need to encourage their children to practise if a radio appearance is coming up.

Some of these broadcasts have not been easy to produce—Breynat for example, with no line connection, presented a real problem. We flew in with Associated Airways—borrowed a small plant to provide the power—recorded the program and flew back to Edmonton.

We are looking forward to many more broadcasts of "Talent from the Towns" and take this opportunity to thank the Business Men's Clubs, Women's Musical Clubs and the National Film Board representatives for their co-operation.
